Acknowledges Receipt of communication & papers in case of John R Wade private of Co B 10th Mo Vols -
Asks that Richard H Cranhow be the only witness - that there is a discrepancy in his affidavit & the records of Capture & Exchange of Prisoners of war in the Co & Regt & which he belonged - that his identity & vicinity should be established and asks an order to convene the Board at Plymouth Hancock County Illinois - adds that the fact that he is in his possession does not enable him to establish the identity of cases heretofore referred &c &c &c

Received (2) L's April 17th 1868.

Charlestown Clark County
Indiana April 13th 1868

Colonel

I have the honor to acknowledge the
receipt of your communication with the accompanying
papers in the case of John R. Wade private Co B.
10th Ind Vols - The only witness in the case is Richard
W. Vanhorn who deposes that he was a private of Co B.
6th Indiana Cavalry — The records of captures and Exchanges
of Prisoners of war report him a private of Co M 5th Ind
Cavalry and he is so accounted for in the reports of the
Adjutant General of Indiana. I think it important
that the identity of this man as well as his Veracity
should be Established. I have no facilities by
which I can Establish either identity or credibility of
Vanhorn, without a visit to Plymouth Hancock
County Illinois and perhaps other places, I therefore
respectfully request an order to cover the travel in the
case - I beg to add that the facilities in my possession
do not Enable me to Establish the Identity of any of the
witnesses heretofore
cases, Referred, without a personal visit, unless when my
opinion or recollection of facts only, are required and in those
latter cases I have never charged Mileage. I trust that Most

—of the claim agents and attorneys engaged in these cases are honest; but there can be no doubt that some of them would undertake a claim against the U. S. if they knew it was sustained by perjury — I find much reluctance to testify against the character or interest of individuals and neighbors and in favour of the government, and in every case I have had to pay the expenses, for which I have never asked repayment. I understand the object in referring these cases, is, to ascertain if the claims are just, and that they be established by such proof as the acts of Congress require. I can write to Postmasters Claim agents and attorneys and procure such Evidence as they may send, by advancing the expences, and will do so, if the Secretary or General Commanding the Department deems such proof sufficient, — I could not however vouch for the truth of testimony thus procured.

I am very respectfully
your Obedient Servant

FINAL STATEMENT

OF

Private Bernhardt Widmer

Co H, 10th Reg't of Missouri Inft

VOLUNTEERS.

Discharged Aug 26th 1864

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

Adjutant General's Office,

Washington, May 20th 1865.

Sir:

In reply to your letter requesting a Descriptive List of J. J. Wilcox, a Private in Company "H", 10th Regiment Mo. Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

John D Wilcox, a Private in Company "H" 10th Regiment of Mo. Volunteers, is ——— years of age; but no further "description" can be obtained from the files of this Office.

He was enrolled on the 22nd day of July, 1861, at the town of Palmyra in the State of Mo. by J. P. Lambert, and mustered into the service of the United States on the 15th day of Oct. 1861, at the town of Macon City, in the State of Mo. by Capt. Smith, to serve for the period of three years, or "during the war."

ACCOUNT OF PAY

It is stated on the Muster Rolls of his Company for the months of July & August 64 that he was last paid by Paymaster Maj. Congdon to the 30th day of June, 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

On the above Muster Roll (latest on file) reported a Private Present for duty.

Very respectfully,
Your obedient servant,

Saml Cooper

Assistant Adjutant General.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received, or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, impediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended. As the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable case for pension, special care* must be taken to state *the degree* of disability—as ½, ¼, &c., &c.; to describe particularly the disability, wound or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree and origin of which are correctly described in the within certificate."

Par. 1230 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channels to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statement in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.
